

## Coaching

Rebecca has been developing Coaching & Clinician skills since her days in Pony Club (Level A)

She is a thoughtful & creative coach - integrating advice & support from eventing's top veterinarians & farriers into her work. Her 12 year affiliation with Team O'Connor is readily reflected in her own teaching & horsemanship, as is her experience at the world's major international games and events.

She works with Advanced through Novice clients with her working student program launching some of Canada's current listed riders onto their upper level careers.

Rebecca coached British Columbia's Young Rider Teams at the North American Young Rider Championships for the 5 years prior to her move to the UK.
